Imagine the Harvest

T. W.  TODD WEBB

Refrain: Imagine the harvest—Is God sending you?

1. Imagine the harvest; re-kindle the flame. We'll
carry the gospel of His holy name. Keep praying united; we'll
work till He comes. Imagine the harvest—the Bride of the Son.

2. Imagine the harvest, responding with love. The
love in our actions will shine from above. With our arms wide open, ac-
cepting each one, Imagine the harvest; it's only begun.

3. Imagine the harvest; reach out to our world. Re-
home and abroad, Imagine the harvest; it's only begun.

4. Imagine the harvest; rejoice in His grace! The
demption for sin. Imagine the harvest, rejoicing in Him!
