

Ministry, Church and Society

Final Exam, Study Guide (unlike exam 2, this is NOT open note/open book)

From class lectures

1. Know the four primary scripture references in the “Roman road to salvation”

From special speakers and videos

2. Pick any two of the special speakers or video presentations we have had this semester and in a paragraph or two, describe those stuck out to you.

From the textbooks

3. In an essay, describe the content of each of the three textbooks and tell how each one fits into fulfilling the MCS course objectives outlined in the syllabus.
4. Be able to give a favorite quote from the McKenna book.
5. Choose any of the chapters from the McKenna book and come prepared to write one full page of summary and reflection on its content.

Note: as I read the chapter summary/reflection, I will be trying to judge if you have really digested the material in the chapter. I'd suggest you read your selected chapter through 2 or 3 times, doing some underlining and/or note taking in the margins.

As I grade your exam, I want to sense that you have become an expert on the content of your chosen chapter.
