

## Mission Education— What's the Point?

Around the world,

- More than 6 billion people in 237 countries speak 6,528 languages...half have never heard the truth of Jesus.
- 1.1 billion people have little chance of ever hearing the gospel.
- 12,000 people groups have never heard the gospel.
- At least 2,000 languages still have no Bible translation.

Now, for the good news!

Around the world,

- About 120 million people are presented with the gospel for the first time each year.
- 270 people are added to the Christian body every 5 minutes.
- The Church of the Nazarene is in more than half the 237 countries of the world and is in more than 30 countries within the 10/40 Window.
- Millions of people have the opportunity to hear the gospel via the *JESUS* film.
- The Church of the Nazarene has entered more than 50 countries since 1990.

It is important that each one of us have a grasp of the world's spiritual situation to know how to effectively pray, give, and go.
