October 2006

Golf Tournament a Success!

The 13th annual Love Link Ministries Golf Tournament was held September 22, 2006 at the Fairfax Golf course in Edmond and in a word it was ...

WONDERFUL!

The weather, the companionship, the golfing, the food, everything was wonderful.

We had a great turnout. There were twenty teams with a total of eighty players— 16 more players than last year! Although summer's heat left the course in less-than-ideal condition, the golfers enjoyed the four hours together and from all reports, no one ran out of golf balls.

We are still tallying up the last financial details, but from all indications, we netted close to \$5,500.00 after expenses. Thanks so all who participated and special thanks to our Eagle Sponsors— Dave Matherly of Matherly Mechanical and Bill Campbell of Valve Sales.

Planning for next year's golf tournament has already begun. We are looking for ways to improve this, one of our main annual fundraisers, so it can become an even larger fundraiser for Love Link Ministries. Any suggestions on

how we can make it bigger and better and raise more money, please let us know. Also, if you are interested in participating in the planning for next year's tournament, we would love to have you on our team!

Our current plan is to have next year's tournament once again in the fall. Keep your eyes open for announcements regarding the date and location so you can mark your calendars, and get ready for our 14th annual Golf Tournament!

New Doors Opening at NuWay

... a word from our director

The first two drove in from Los Angeles. I met them as they came through the door. They next two were picked up later in the day at the airport. They had flown in from Tampa, Florida. Then two more came from back East. Those six young men made up the resident students who would be a part of the first class of ENTE (a Hispanic ministerial training program for the U.S. and Canada). By the time the class started, local students had joined to make a class of fourteen.

ENTE had met on the campus of Nazarene Indian Bible College, near Albuquerque, for two years. A decision was made to sell the campus, and ENTE was directed our way. They are now using office space of Love Link Ministries' NuWay Building. They have a classroom, office space, a library, a chapel, a computer room, restrooms, and a snack area, plus an area that can be utilized for larger meals. It is amazing how these areas were constructed in such a way as to serve such purposes. The Lord was preparing for this program long ago. Our Hispanic friends are very excited about this project and anticipate continued growth.

...to be continued next month!
