

LOVE LINK LETTER

January 2007

Remember Patrick? I'm Still Kickin'!

It's great to still be blessed to share the glory of our Lord Christ Jesus with all my brothers and sisters in the Way. Our brother Jesus saw fit to deliver me from the cancer that our adversary planted within my body. I need your prayers to help me get past my upcoming oral evaluation on January 12th for my Certified Alcohol and Drug Counselor (CADC) accreditation.

Every day I search out ways to edify the glory of our Lord Jesus in all that I say and do. I still work at The Referral Center and have gained permission to share the witness of Christ with the patients seeking help to overcome their dependencies.

Once I achieve my CADC accreditation then Jesus wants me to complete my master's degree so that I can acquire an Licensed Alcohol and Drug Counselor (LADC) certification which will authorize me to supervise SNU counseling students to assist our ministry in providing outpatient counseling services to the underprivileged community for work study school credits.

So as you can tell Jesus still keeps me very busy and as far as I can see into the future my life is not slowing down. Jesus restored my health so that I could continue to be his witness and glorify his grace to all who knew and presently know me, both the old and new man.

Patrick came into the Love Link recovery program in 2000. Please keep him in your prayers as God continues to bring restoration in his life and use him to bring restoration in the lives of others.
