## Merry Christmas

Merry, merry **CHRIST**mas to each of you! In this time when there is so much fuss as to what to call this time of year, we want to reiterate our love for the Christ of Christmas, without Him we would not do what we do. There is no Christmas without Him. There is no Love Link Ministries, Inc. without Him. We trust that each of you will know Him in His fullness this coming year. He supplies our needs - He will supply yours.

This year has held many disasters throughout our country. People are hurting everywhere you look. We have seen an increase in our numbers in the food pantry, especially in the month of November. We have had more calls for help of every kind. We give them food, refer them for help with obtaining jobs and the other needs they may have but the best thing we can do, is give them Jesus, the Christ of Christmas.

One of our goals is to be Jesus to those we come in contact with. The men in the program are learning what that means. They are growing spiritually at an incredible rate right now. We have a great group of men. Being Jesus to those around you isn't always easy but right now, during Christmas, it's as easy as it gets! People are more receptive during this time of year. Overall people are nicer to each other right now. Take the opportunities God gives you to be Jesus to someone around you and be the true spirit of Christmas in your neighborhood, where you live and shop.

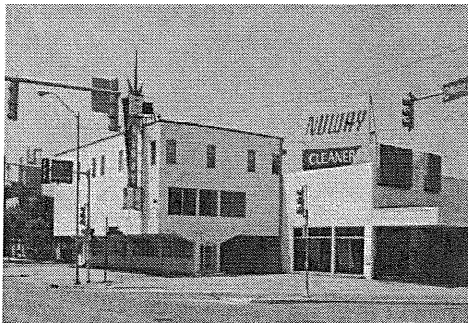

It is also at this time of year that we reflect on all that has been done this year. It wouldn't happen without people like you. We want to thank you for your prayers, donations to ReSale Link, financial support, help with meals at First Indian Church, food donations and every other way that you support us on a daily basis. We could not make it without each and everyone of you doing what God leads you to do for His ministry located near the heart of downtown Oklahoma City. Please continue to pray for us! We also need continued financial and food support especially during these winter months. May God richly bless you this Christmas season and throughout the new year.

### NUWAY BUILDING

We hope in January to be able to tell you that all the paperwork is done and the building is in our name. The closing is rapidly approaching.

We need your continued prayers for the finances

to come in a miraculous manner! God is in charge. He is leading and He will provide. We also need prayers for wisdom in knowing how to best utilize the space provided. Pray for the architect, the board members, Pastor Stark, Marilyn and all the people that will be involved in the process of making decisions. It is exciting!

### MEAL - A - MONTH

It's time again to consider participating in our **Meal-A-Month** campaign. For just **\$5 a month** you can help feed a family for a month. For \$10 a month you can help feed two families a month. For \$100 a month you can help feed 20 families each month. You choose how many families you'd like to help in 2006.

**Meal-a-Month** is just one way you can help Love Link Ministries, Inc. help the hurting. Wouldn't it be awesome to have 1000 people helping feed at least one family each month in 2006!
