Adrienne Matlock has served as the Volunteer Coordinator for Love Link Ministries. During the past year, Adrienne has coordinated all the Work Groups that have volunteered for Love Link. One such group, the Youth Group from Calvary

Adrienne and Brian

Nazarene Church, volunteered earlier this Spring. They were involved in cleaning up and sorting contributions at the NuWay building. After their hard work and a light lunch, they went out into the downtown area and the neighborhood around the church, handing out sack lunches and ministering to the people they met.

The time has come to say farewell to Adrienne and Brian Matlock, who are leaving us this month. They plan on residing in Kansas City for 5 months, then going to Africa as volunteer missionaries. Adrienne, thanks for all your help these past 5 years. Your volunteer work has been a blessing to many and you will be missed.

Clifton and Adrienne

Adrienne and Clifton Leonard have headed up the Saturday workdays. Clifton will continue assisting with the work groups as he is able. We have had volunteers from all over the metro area and as far away as Colorado come to Love Link and help in various ways. Please call us and volunteer your work group.

We have a job for YOU to do.

These are exciting days for Love Link Ministries. We have listed the property at 500 S. Western with a realtor to assist in selling this property. This is the first step in the transition of Love Link Ministries relocation from 500 S. Western to the NuWay facility. Thank you for your prayers and your gifts. You have made this expansion possible. Continue to pray for this ministry. We are encouraged by the work groups that have already scheduled their summer volunteer projects. Call today to schedule your work group to assist Love Link Ministries this summer. Indeed, the Lord is so good !!
