One Step At A Time

In the last issue of the Love Link Letter, we reported about the giant step forward that had been taken in the NuWay Facility. Finances had come in adequate to cover the cost of installing a sprinkler system in building # 2. This is a big step forward in moving the thrift store, craft shop and food pantry to the NuWay facility.

We are continually amazed how God provides for every need; not always when and as we envision it should be done, but always at the right time. We are blessed by those who consistently send donations for the ongoing work of the ministry. We are blessed by special donations and grants that help with special projects. And there are other ways that God provides.

This past week, we had two huge boilers that are in the NuWay facility checked out. They checked out right up to par. That means we have the possibility of selling them for several thousand dollars each. Several parties have already shown an interest in them. There is a huge amount of monorail attached to building # 1. We are still contemplating how to take it down safely and stack it for sale. We are told that it can be sold for more than scrap metal. There is a huge amount of other equipment within the building that is salvageable: electric boxes, storage tanks, etc. Pray with us as we take one step at a time to find the best ways to dispose of this equipment.

Love Link's property at 500 South Western is up for sale, and we can put the proceeds into the development of the NuWay facility. There are eleven lots of prime property located next to where the off ramp will be for the new I-40 major interchange for downtown Oklahoma City. In the future other Love Link properties in the area will be indirectly affected by the I-40 realignment. We trust that God will lead us step by step as decisions and changes are made. *WS*

Volunteer Opportunities

If you are retired, semi-retired, or just have some extra time on your hands, there may be an opportunity for you to put your skills to work for the growing ministry of Love Link. We are in need of people who have administrative, management or supervisory experience and want to use their talents for the Lord.

There are opportunities to serve in a supervisory capacity within the following areas: Thrift Store, Food Pantry and Volunteer Coordinator. Experience and references are required. **If you are interested, please call 259-6219 for an interview.** *SM*

Food Drive Challenge!!

Choctaw Church of the Nazarene has gone above and beyond in their volunteerism at Love Link Ministry. The small groups of their church collected **1,270 pounds of food** for the Love Link Food Pantry. We would like to issue a challenge to other small groups at local churches to hold a "Food Drive" to help stock the food pantry at Love Link.

We have already handed out about 150 bags in the first 3 food pantry days this month. The Food Pantry needs volunteers on Tuesdays and Fridays, 11:00am to 1:00pm. Come help us out and see God at work. *JM*
