William Carey sailed in 1793 to India with a reluctant wife and three children to take the message of Jesus to that country. Life was never easy for Carey, but he stayed in India for more than 40 years. One issue that tormented him was *sati* -- the burning alive of widows when their husbands died. He would not rest until this practice was stopped. Carey oversaw a number of translations of the Bible and through his letters and pamphlets mobilized others for the cause of global evangelism.
