

Video viewing guide: “Discovering the Bible” -- part 2 (SNU call number BS445 .D5)

Introduction to Biblical Literature

Name: _____

1. How many different people wrote the Hebrew Scriptures and when were they written?
2. Would our Bible reading differ if we read it as a love letter rather than as an ordinary book?
3. Why do the Jews have 24 books in their Bible and the Protestants have 39 books in the Old Testament?
4. Into what categories are the Hebrew Scriptures divided?
5. What insights can archaeology give us about the Bible?
6. On what basis can we be assured that our Bibles say what the original scrolls said?
7. What was the greatest manuscript discovery of modern times?
