

**Love Link Ministries
Dr. Jerry White Memorial
Golf Tournament**

Love Link Ministries Inc. is a compassionate ministry that provides food, shelter, clothing and spiritual help to those in need in the Oklahoma City area. Love Link also operates a recovery program for men in transition. Love Link is located in downtown Oklahoma City at 500 S. Western. Love Link Ministries, Inc. is a recognized 501(c)3. Your donations are tax deductible.

We are hoping that the 12th Annual Golf Tournament will surpass all previous years both in attendance and funds raised. This will not happen without your support. We need you there to play and we need your financial assistance to help underwrite this very worthy cause.

You can do this by forming one or more teams from your church, business or organization. You can a sponsor a hole or tee box. You can donate door prizes to be given away. We invite you to support this worthwhile project of helping the needy in OKC and enjoy a fun-filled day of great golf and Christian Fellowship all at the same time.

There will also be opportunity to help support the ministry through purchasing Indian Arts and Crafts that were made by the men in recovery.
