## **Divine Horsemen: The Living Gods of Haiti** SNU library call number BL 2530 .H3 D4

This black and white film is a journey into the world of the voodoo religion of Haiti. The footage was shot by film-maker and voodoo initiate Maya Deren from 1947 to 1954 and edited after her death by Teiji and Cherel Ito. It contains rituals of the attempts by voodoo devotees to commune with cosmic powers through offerings, song and dance. The voodoo pantheon of spirits are introduced as living gods who actually can possess their devotees.
