

Volunteer Service Project

How to fulfill the requirement for
Ministry, Church and Society

Objections

- “How can it be ministry if it’s required?”
 - Isn’t using “required” and “volunteer” in the same phrase an oxymoron?
 - “This course could step on the toes of those who are not religious and have no desire to participate in the activities required by this class” – student response on evaluation form

Objections

“I’m too busy!”

- "Now that I have built relationships, this is an essential part of my week. I don't even see it as volunteer service. It's more like spending time with my friends" -- Katie Tate
