That's where on Earth it goes!

■ “I’m afraid that many churches will hold on to every penny to make sure their local bills are paid first before they do anything for the World Evangelism Fund. **That just doesn’t work!! We can’t dare to be selfish! As we give to others, God will take care of our needs.** But many, especially young leaders, haven’t learned that yet.”

■ — Audrey Psaute, former Arizona district NMI president and mother of missionary Daniel Psaute (Slovenia)
