

# ***Training Technologies for Experiential Learning Activities***

---

Structured Experiences, Role Plays, Case Studies, Simulations, and Games at Pfeiffer & Company .....	1
The Experiential Learning Cycle: A Model.....	2
Experiencing	
Publishing	
Processing	
Generalizing	
Applying	

## **Using Structured Experiences in Human Resources Development**

A Background for Using Structured Experiences in Human Resource Development.....	9
The History of Structured Experiences	
Structured Experiences: What They Are and What They Are Not	
Evaluating and Selecting a Structured Experience .....	13
Primary Considerations	
A Classification of Structured Experiences	
Presenting Structured Experiences .....	19
Things To Do	
Things To Avoid Doing	
Avoiding Pitfalls	
Learning Impact	
Preventing and Dealing with Problems in Using Structured Experiences.....	25
Things To Watch For	
Recourses for the Facilitator	
Developing Structured Experiences.....	30
Primary Considerations	
Elements of the Design	
Examples of Designs	
Conclusion	
Structures and Activities for Structured Experiences .....	39
Case Studies	
Communication Activities	
Group Awareness	

Group Task Activities	
Guided Imagery	
Role Plays	
Simulations and Games	
Use of Observers	
Using Subgroups in Structured Experiences.....	48
Forming Subgroups	
Working with Subgroups	
Using Subgroups for Processing	
Seating Arrangements	
Conclusion: Examining the Use of Experience-Based Activities	
A Glossary of Terms in Experiential Training.....	59

## **Using Role Plays in Human Resource Development**

A Background for Using Role Plays in	
Human Resource Development.....	63
The History of Role Playing	
What a Role-Play Is and What It Is Not	
A Rationale for Using Role Plays	
Role-Play Objectives	
The Advantages and Potential Disadvantages	
of Using Role Plays	
Evaluating and Selecting Role Plays .....	71
Typical Problem Situations	
Using Organization-Based Scenarios	
Other Selection Considerations	
Designing Role Plays .....	76
Design Considerations	
Choice of Role-Play Problems	
Dimensions of Role-Play Structure	
Development of Role-Play Materials	
The Classic Role Play: Maier's "The New Truck Dilemma"	
Conducting Role Plays.....	89
The Cycle of Change	
Preparing for Role Playing	
Introducing the Role Play	
Directing the Action	
Deroling	
Feedback	
Analysis and Closure	

Role Playing in the Experiential Learning Cycle	
Unstructured/Developmental Role Playing	
Summary	
Role-Play Techniques .....	112
Unstructured or Developmental Techniques	
Structured Techniques	
Summary	

## **Using Case Studies, Simulations, and Games in Human Resource Development**

A Background for Using Case Studies in Human Resource Development.....	122
Definition	
The History of the Case-Study Method	
What a Case Study Is	
What a Case Study Is Not	
A Rationale for Using Case Studies	
The Purpose of Using Case Studies	
Using Case Studies .....	127
Selecting a Case Study	
Preparation	
Presenting a Case Study	
Case Studies in Program Development	
Sources of Cases	
Developing Case Studies .....	136
To Write or To Buy	
Research	
Writing	
Notes for the Facilitator	
Revising	
Getting the Release	
A Background for Using Simulations in Human Resource Development.....	150
What a Simulation Is and What It Is Not	
A Rationale for Using Simulations	
The History of Simulations	
Developing Simulations.....	155
Understanding Aspects of Simulations	
Stages in Developing a Simulation	

Random Numbers, Stochastic Variables, and the Monte Carlo Method	
The Decision Tree	
The Difference Between Simulations and Games	
A Background for Using Games in Human Resource Development.....	163
What Simulation Games Are	
A Rationale for Using Games	
The History of Simulation Games	
Game Structures and Types of Games	
Evaluating and Selecting Games.....	173
A Checklist for Evaluating Simulation Games	
Staffing Considerations	
Resources for Simulation Games	
Facilitating Games .....	177
Prewrite	
Introducing the Game	
Conducting the Game	
Discussion and Processing	
An Example of Group Dynamics in Simulation Gaming	
Using Simulations to Teach Strategic Planning	
Considerations in Developing Simulation Games .....	185
Purpose and Use	
The Simulation Model	
Stylistic and Functional Issues	
Constructing and Testing the Game: Time and Money	
References and Bibliography .....	190
Using Structured Experiences	
Using Role Plays	
Using Case Studies, Simulations, and Games	

## Appendices

APPENDIX 1: Examples of Structured Experiences .....	195
Shades of Difference: Exploring Metaverbal Communication	
Parole Board: Exploring Individual and Group Values .....	204
APPENDIX 2: Sample Role Play .....	215
The New Truck Dilemma	
APPENDIX 3: Guidelines for Giving and Receiving Feedback .....	227
Feedback in Training Groups	

APPENDIX 4: An Article on Using Simulation Games .....	239
Facilitating Simulation Games
