- Personal Involvement

New Life Community's LINKS missionaries:

George and Nancy Miller

planting churches in the Solomon Islands

(A group of 30 islands in the Pacific Ocean northeast of Australia)

P.O. Box 712

Honiara GP, Solomon Islands

George and Nancy began their Nazarene missionary career in 1989 in our hospital in Papua New Guinea. Their son Geoff is a senior this year at SNU. They have two grown children, Gloria and Greg. Their youngest son, Gary, is still at home.

George was born in El Reno; Nancy comes from Kansas City. Their church membership is on our district in the Carnegie congregation.

Brighten the Millers' day. Send them an Easter card signed by your Sunday school class or Life Line group! Let them know you're praying for them.
