

# Strategies of Mission Practices

## Exam #2 Guide

1. Know the “important terms” listed in Pocock on pages 106, 133, 187, and 210. Be prepared to respond to multiple choice or true/false questions on these.
2. Pick one of the three chapters in Saint (6, 7 or 8) and be able to write a substantive reflection / critique on it.
3. There are five case studies in this section of Pocock: pages 128, 158, 180, 206, and 243. Pick one of those and be prepared to write a response to it which will clearly show that you have mastered the material in the chapter in which the case study appears.

*For questions 2 and 3 you may bring notes to class but not a pre-written answer. Your answer must be composed in class.*
