

Study Guide--Theology of Missions

Exam #1

The exam will be given in Pop's Lounge. Drinks are on me!

Come prepared to write an extensive essay on one of the chapters in Newbigin's book. Your essay needs to include:

1. Summary
2. Reflection
3. Application.

Among the questions you may answer in your essay are:

What did I learn? What do I know now that I didn't know before?

What did I feel as I read?

Did you wind up sharing the content of this chapter with someone else?

Did something in the chapter challenge some assumptions you held?

Did it confirm something you have been thinking about for a while?

Was there a phrase that grabbed your attention and has remained impressed in your mind?

You may bring one 3x5 card with handwritten notes on it. That card will be turned in with your exam.
